## Career and Community Development (CCD) Teacher Year End Reflection

1. What did the students do during the CCD course? Describe the details of their project(s) focus.

---

---

---

---

2. What made the project successful?

---

---

---

---

3. What were the main challenges students face during the CCD course?

---

---

---

---

4. How did the students grow? What were the main learnings?

---

---

---

5. What impact did the students have on the community? Describe their interaction.

---

---

---

---

6. What are your recommendations for a teacher who would have to deliver this course?  
What would you do differently next year?

---

---

---

---

7. How did you grow as an educator?

---

---

---

8. On a scale of 1 to 10 (1 being the worst experience and 10 being the best experience),  
how would you rate the first year?

---

---

---

---
