

Videos - 4th grade

*Although these videos were all watched and chosen by your pedagogical counsellors and are appropriate for students to watch, some videos (longer videos with harder vocabulary) are meant to be watched by the teacher to get a better understanding on a specific subject. Please, make sure to watch the videos before presenting them to your students. This way, you will ensure their understanding and their interest in each theme.

Fishing:

- ✓ Fishing with a kakivak at Bloody Falls : <https://www.youtube.com/watch?v=TDqXJSB79mw>
