Assapa

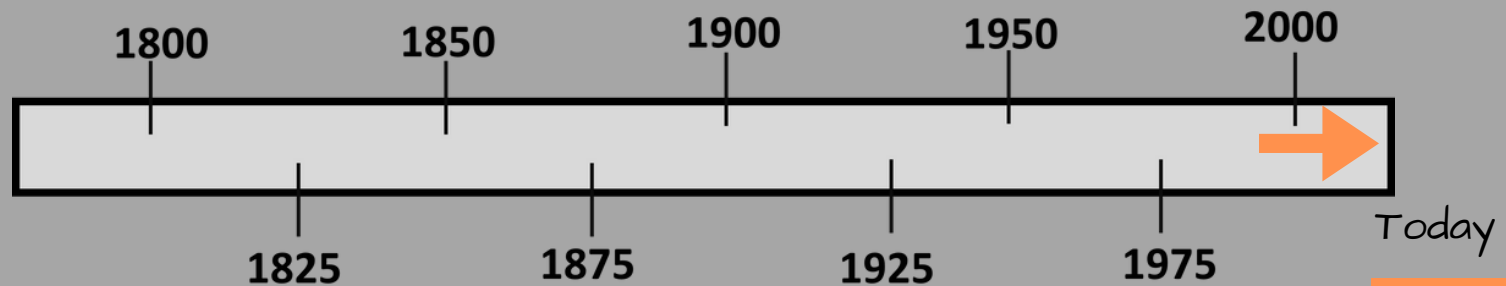

Louisa is a young artist born in 1991 in Puvirnituq and has lived in Inukjuaq since 2011. She uses the theme of flowers and uluk in her beading and prefers to make appliques and then sews them on to different elements - mittens, headbands and purses. Louisa also likes to make accessories such as cardholders with a beaded design. It is possible to find her work on her private Facebook page.

Quote from the artist

"Beading helps to calm the mind, as if there is no problem today or tomorrow."
