Competencies

√ To construct his/her representation of space, time and society (C1)

Objectives

- \checkmark To explore places here, from the past and the present
- √ To orient himself/herself in space and time

Assessment criteria

- ✓ Know the rivers around the community
- ✓ Know the points of interest of the landscape
- ✓ Identify similarities and differences in the landscape of the past and the present
- ✓ Recognize the landscape at different seasons
- ✓ Situate themselves on a calendar
- ✓ Know the words: yesterday, today and tomorrow
- \checkmark Know the months of the year and the seasons
- ✓ Locate Nunavik on a map
- ✓ Locate the community on a map of Nunavik and know its name
- ✓ Recognize the cardinal points
- ✓ Know the difference between a map and a photograph

Culminating task

Creation of a small dictionary including the different landscapes and animals of their community. Students can then present it in small groups, or show it to the whole class. They must explain what is on each page. Take the time to ask questions about the different aspects you have seen throughout the theme in your community's territory.

Overview of lessons				
Topic 1:	Topic 2:	Topic 3:	Topic 4:	
My community	The landscape	Animals	Changes	
- Locate Nunavik	- Trees	- Northern animals	- Name of the seasons	
- Locate the community	- Rivers	- Where animals are	- Changes in the	
on the Nunavik map	- Landscapes	- Usefulness of animals:	territory according to	
-Differences between	- Community's points of	✓ Food	the seasons:	
aerial photo and map	interest related to the	✓ Transport	✓ Weather	
- Cardinal points	landscape	✓ Clothing	✓ Rivers	
- Meaning of the			- Changes in the	
community's name in			landscape according to	
English			the seasons:

Unit: the people of my community

Time frame for completion: 10 weeks

Competencies

√ To construct his/her representation of space, time and society (C1)

Objectives

- √ To recognize some characteristics of the social organization of a group
- √ To orient himself/herself in space and time

Assessment criteria

- ✓ Understand the need for everyone in the community
- ✓ Know the rights of each individual in the community
- ✓ Know the responsibilities of each individual in the community
- ✓ Be able to resolve conflicts
- ✓ Know the vocabulary related to the community's trades
- ✓ Know the vocabulary related to the community's buildings
- ✓ Know the groups to which individuals belong in a community

Culminating task

Creation of a map of the village with street names, landscapes (seen in the previous theme), services (use of a legend) and the location of the students' houses. They must then explain who works in each building they have chosen to include on their map and what is happening in that building (what people are doing or what products are being sold there).

Overview of lessons				
Topic 1:	Topic 2:	Topic 3:	Topic 4:	
Responsibilities and	Trades	Services	Groups to which people	
rights			belong	
- Students' rights	- Names of your	- Names of services and	- The family	
- Students'	community's trades	buildings in your	- The school	
responsibilities	- Occupation students	community	- The classroom	
√ At school	would like to do in the	- Where the services	- A sport	
√ At home	future	are located	- The community	
✓ In the community		- Plan or map of the	- Nunavik	
 Conflict resolution 		community with the	- Why are these groups	
		services	important?	
		- Legend of a map	- In which groups do	
		- Community's points of	the students belong?	
		interest related to the		
		services and buildings		

Cross-curricular connections					
Arts:	Math:	Science:	Language:	Others:	
			- Make sentences using	- Watch the movie "Lilo	
			verbs to describe	and Stitch" to discuss	
			trades and services (ex.:	the groups to which they	
			I <u>am eating</u> at a	belong	
			restaurant or the nurse	- Take photos of the	
			is <u>taking care</u> of the	community's services	
			children.)	(buildings)	
			-Ask students to		
			introduce people from		
			the village who are		
			important to them.		

Time frame for completion: 12 weeks

Competencies

√ To construct his/her representation of space, time and society (C1)

Objectives

- √ To recognize some characteristics of the social organization of a group
- \checkmark To refer to aspects of everyday life here, from the past and the present
- √ To orient himself/herself in space and time

Assessment criteria

- ✓ Know the differences in clothing for the different seasons
- ✓ Compare old photographs and be able to identify differences and similarities
- ✓ Recognize that the stories of your elders and community help shape your identity
- ✓ Know the different activities to do in the community according to the seasons
- ✓ Know the differences and similarities between the activities done in the past and those done in the present
- \checkmark Know the different means of transportation used in the past and in the present
- ✓ Tell events and stories in chronological order
- ✓ Reading a time line
- ✓ Recognize the chronological order
- ✓ Know the words yesterday, today and tomorrow
- ✓ Know the seasons

Culminating task

Creation of a time line including different images of clothing, activities, arts and transportation used in the past and in the present.

Overview of lessons				
Topic 1:	Topic 2:	Topic 3:	Topic 4:	Topic 5:
Clothing	Activities	Arts	Means of	Stories
			transportation	
- Clothing from the past	- Yesterday's activities	-Musicians	- Means of	- Elders' stories
- Today's clothing	- Today's activities	- Instruments used	transportation on water	- Inuit tales
- Similarities and	- Similarities and	- Artists	- Means of	- Chronological order
differences between	differences between	- Techniques used	transportation on land	
clothing of yesterday	activities of yesterday	- Yesterday's arts	-Yesterday's means of
